A Tribute to Kelli Randell

When someone holds a special place in your heart, makes an impact in your life, and changes the community for the good, it is only fitting to honor their contributions. From countless benefits and fundraisers, to mentoring the lives of LGBTQIA+ youth, there is no one more deserving of this distinction.

On June 28, 2020, our community suffered the tragic loss of a legend. What is a legend, and how do you adequately express the qualities of a life well-lived?

Randall David Kelly, better known to us as “**Miss Kelli Randell**”, exemplified a life full of humanity, humor, generosity, grace and passion. A truly “one of a kind” person, who was a beacon of love and light, both on the stage and off. Every aspect of her amazing life carried the message of love and unity, and it showed.

For over 30 years, **Kelli** gave selflessly by entertaining countless fans-young and old-gay and straight-on the Space and Treasure Coasts, central Florida, and across the nation, bringing love and laughter wherever she went.

It is estimated that **Kelli** raised over 1.5 million dollars over the course of her career. It is well known that whenever someone needed support, **Kelli** was the person to call. She hosted, organized, performed in numerous benefits, pageants, and fundraisers in support of the LGBTQIA+ community-from HIV/AIDS events to memorial celebrations in the aftermath of the PULSE tragedy. She also helped to raise money for victims of Hurricanes Katrina and Irma, and for survivors of cancer.

Although her kindness for all was apparent, it is no secret that **Kelli** held a special place in her heart for children, and she gave her time and talent to raise money for children's charities, including Toys for Tots. **Kelli** was most proud of her work in hosting an annual fashion show that featured and benefitted Transgender kids.

Space Coast Pride was honored to showcase **Kelli's** work by awarding her our **Lifetime Achievement Award** in **2018**, for her dedication and support of our LGBTQ+ community. She also served as Grand Marshal at the **2018 Space Coast Pride Festival**, and graced our stage again last year as a performer-coming out of retirement.

Our lives are richer and our world is better because of **Kelli**. She made us laugh. She made us cry. She was a genuine, beautiful soul, and we will feel this loss for many years to come. We grieve her passing with her husband Danny-and her family, both biological and chosen.

It is time to remember and celebrate the magic and love of **Miss Kelli Randell...fly high amongst the rainbows, Love.**

On behalf of the Board of Directors of Space Coast Pride, it is with great honor to announce the 2024 Space Coast Pride Randall D. Kelly/Kelli Randell Memorial Scholarship.
